

solo : pleasure for you

# Rave by We-Vibe™

Twist and *shout!*

**Powerful pleasure for your G-spot.** The unique asymmetrical shape of Rave transforms your gentle movements or a slight twist into satisfying pleasure for your G-spot. Soft edges and a powerful We-Vibe rumble deliver new sensations right where you want them.

**Intimate, intense orgasms.** Beautifully sculpted and curved so it's easily held in your hand, Rave by We-Vibe™ offers effortless control of your pleasure. A simple twist will stimulate the most sensitive areas of your vagina for a truly sensual, personal experience. Increase the intensity or tease your G-spot with different vibrations to indulge yourself like never before.

**Get more features with the app.** With We-Connect™ you can create your own custom vibes and control Rave from right next to you, from the next room—even from the next continent. Share control with your partner and enjoy some long distance excitement that makes it feel like you're together no matter where life takes you.
